The celebration will be Friday evening September 21, all day Saturday, September 22, and Sunday, September 23 2018, 12pm to 6pm. The booths can be informational, games of chance, crafts or food booths. Cost of each booth is listed on the application.

Please inform us on your application if you would like your booth to have an open front. Also, these booths must be manned all THREE days of the Festival.

We will provide the ability to access a 110/20 amp plug. You will need to bring extension cords to access the electrical service. If you require something other than the 110/20 amp service please indicate that on your application form and return it by **July 1, 2018**, you will be informed if we will be able to provide the additional electrical service. *When filling out the request form, please keep in mind that two plugs mean two plugs not a power strip to be used for multiple pieces of equipment. We will provide lighting for the booths.*

Also, no organization can acquire a booth under the non-profit costs and then resale this booth at the profit organization cost to a vendor.
